**London and Edinburgh, 18 August 2022:** Cairngorm Capital Partners LLP (Cairngorm Capital) is pleased to announce that its portfolio company, Verso Wealth Management (Verso), has acquired **Campbell Thomson Insurance Services Limited** (Campbell Thomson). This acquisition advances Verso's strategy to build a market leading, national wealth management group and takes its assets under management to over £1 billion.

Founded in 1978, Campbell Thomson is a second generation firm providing specialist financial advice and planning for businesses and individuals across the UK. With a reputation for outstanding service, the firm has a team of 13 advisors, planners, researchers and support staff based in Glasgow. Campbell Thomson is providing advice on assets exceeding £315 million as at Q2 2022.

Campbell Thomson is the fifth acquisition by the Verso platform and the first in Scotland, expanding its advisory proposition and reach across the UK. Andrew Fay, Verso's Chief Executive said, "I am delighted to welcome everybody at Campbell Thomson to the group. It is an exciting time to join Verso as our plans begin to gather pace. With the support of our strategic partners, Cairngorm Capital Partners and their buy, build and transformation expertise, we are pursuing an ambitious consolidation plan, to build a market leading wealth management group with capabilities in financial advice and investment management, powered by the Verso platform. Campbell Thomson forms an important part of this."

**Stewart Thomson, Director of Campbell Thomson**, added, "We are delighted to be joining Andrew and the team at Verso as the Verso model overcomes many of the challenges and inefficiencies in our market. We will be able to relinquish our day-to-day regulatory and operational hurdles and focus on what we do best – providing our clients with the very best advice available. We view our partnership with Verso as a key part of our future growth strategy."
